NSW DEPARTMENT OF EDUCATION AND COMMUNITIES

CORE EXPECTATIONS FOR STUDENTS IN NSW GOVERNMENT SCHOOLS

Students in NSW Government schools are provided with high quality education so that they may learn to the best of their ability and become self-disciplined, tolerant, enterprising and contributing members of the school and community.

Core rules for student behaviour have been developed to establish consistent expectations in all government schools in support of these aims.

These rules are based on our core values of integrity, excellence, respect, responsibility, cooperation, participation, care, fairness and democracy.

The critical role of parents and caregivers is recognised as the primary influence on each child’s character and behaviour and as essential partners in supporting the core rules and successful education of their children.

The Department is committed to supporting Principals and school staff in the implementation of these expectations through state-wide policies and programs, together with regional support staff, professional learning and alternative provisions, in order to promote the highest standards of behaviour and learning our schools.

STRATEGIES TO PROMOTE GOOD DISCIPLINE AND EFFECTIVE LEARNING

At Leonay Public School, we actively encourage good discipline and effective learning in the following ways:

• Ensure student welfare is a priority

• Teach school expectations and responsibilities, implement award systems and consequences for inappropriate behaviour at the beginning of each year and revisit when necessary

• Reinforce with students, a set of class expectations at the beginning of each year

• Recognise and promote student achievement within the school and community

• Monitor student progress and behaviour and involve the Learning Support Team when required

• Cater for the needs of individual students through appropriate curriculum and special initiatives

• Implement programs such as Peer Support, which develop co-operative skills and appropriate behaviour

• Inform parents about student progress and incidents of inappropriate behaviour

STUDENT BEHAVIOUR

All students are expected to behave in a safe, positive, respectful and responsible manner at all times. Clearly, parents and teachers have a commitment to provide opportunities for students to take responsibility for their own actions.

PRACTICES TO RECOGNISE AND REINFORCE POSITIVE STUDENT BEHAVIOUR

We recognise and actively encourage positive student behaviour with:

- Public recognition of achievement at assemblies and in newsletters
- A cumulative award system
- Visits to other teachers/classes
- Verbal praise and encouragement
- Leadership roles eg. Sports House Captains, SRC Representatives, Peer Support Leaders
- Extrinsic awards eg. House points, stamps

STRATEGIES TO PROMOTE GOOD DISCIPLINE AND EFFECTIVE LEARNING

Positive discipline is an essential part of a schools’ behaviour management plan. In formulating a behaviour management plan, school communities must acknowledge and describe practices to foster good discipline.

For example:

- The consistent use of good behaviour management technique such as:
  - giving simple instructions
  - expecting students to comply and follow directions
  - regularly noticing and commending students for complying with expectations and directions
  - avoiding the use of ridicule, embarrassment or ‘put-downs’
  - involving all members of the class by directing questions to the full range of students
  - encouraging on-task learning behaviour by moving about the room and supervising work
  - refocusing and redirecting attention when students become restless or inattentive
  - having a plan for managing behaviour disruptions
  - following up any significant behaviour disruptions
- The provision of appropriate curriculum to meet the needs of each student.
• The development of a school discipline code based on Positive Behaviour for Learning model – a small number of easily understood expectations which state the appropriate behaviour, can be monitored and consistently and fairly applied.

• Supporting students in achieving success in learning.

• Staff modelling of consistent, caring and controlled behaviour.

• Discussion with parents and caregivers of their roles and responsibilities in managing student behaviour.

• The provision of integrated programs which develop self-discipline, self review, communication and responsible decision making, such as:
  o stress management programs
  o social skills programs
  o peer mediation
  o peer learning

• Encouragement of respect for teachers as professional educators.

• Staff attendance at relevant Communities and development programs.

• The provision of appropriate support programs, such as counselling and remediation.

• Liaison with supportive community agencies to build teams.

• The knowledge and understanding of the particular needs and pressure experienced in the local community.

• Monitoring - Ongoing collection of data through classroom and playground data collection registers.

**AWARDS / REWARD SYSTEM**

“Caught Being Good Awards”

The Caught being Good Award positive reinforcement program will continue. Students can earn ‘Caught Being Good Awards’ in the classroom, playground, library, etc from any teacher at any time for demonstrating expected school and class behaviours.

Each award is placed in a class ‘container’. Each Friday the class teacher will pull a name out of the container to receive a canteen voucher.

SUN PROTECTION

Leonay Public School has a policy of “No hat, play in the Shade”

All students are expected to wear a wide-brimmed school hat, as per our uniform policy, for all outside activities. Without a hat, students are to remain in the shaded areas during recess and lunch times. Hats are essential for sport participation.

Other measures include:

* ensuring that there are adequate shade areas
* having outside activities at appropriate times of the day
* having topics within subject areas such as PDHPE teaching about the need for sun protection
**ACTION ON INAPPROPRIATE BEHAVIOUR – CLASSROOM**

Teachers will use discretion to ensure consequences are fair and effective when dealing with students who break the expectations.

ACTION ON INAPPROPRIATE BEHAVIOUR IN THE CLASSROOM

Any student’s inappropriate behaviour deemed by a staff member to be of an extremely serious nature will be immediately referred to the class supervisor and to the Student Welfare Committee for action. The Student Welfare Committee will consist of the Principal and Executive staff.

Step One – a red slip is issued to the student for failing to comply with PBL expectations, student does a time-out session in the classroom. The reason for the red slip will be discussed with the student and recorded on the slip. The classroom teacher will keep a record of the slips.

Step Two - continued inappropriate behaviour, the student is sent to the class supervisor with the red slip to discuss behaviour.

Step Three – continued inappropriate behaviour, the student is sent to the principal with the red slip to discuss behaviour, parents are contacted by class teacher, supervisor or principal.

Step Four – When three slip recordings (white or red) are made against a student over a short period of time (eg 10 wks), the action for dealing with persistent inappropriate behaviour will be invoked.

ACTION ON PERSISTENTLY INAPPROPRIATE BEHAVIOUR IN THE CLASSROOM

ie AFTER THREE SLIPS IN A SHORT TIME, such as 10 weeks

Step One- Student Welfare Committee- Parent Contact Letter will be sent home by the supervisor.

Step Two- If behaviour persists, the student will be placed on a Behaviour Management Program. Parent/Caregivers will again be contacted by letter requesting an interview to discuss the Management Behaviour Program with the class teacher and supervisor before the student is placed on the program. After a reasonable amount of days with positive comments (as determined by the supervisor) the student will be removed from the program. Parent/Caregivers will be informed when this occurs.

Step Three- If no improvement is shown or if behaviour deteriorates further, the Student Welfare Committee will review the case to decide upon the appropriate course of action. This may include invoking the Department of Education and Communities, “Suspension and Expulsion Policy.”

ACTION ON EXTREMELY INAPPROPRIATE BEHAVIOUR IN THE CLASSROOM

Step One – a red slip is issued to the student for failing to comply with PBL expectations and is sent immediately to the supervisor.

Step Two - supervisor decides upon severity discusses it with class teacher who may call an immediate Student Welfare Committee meeting.

Step Three – The Student Welfare Committee will review the case to decide upon the appropriate course of action. This may include invoking the Department of Education and Communities, “Suspension and Expulsion Policy.”

ACTION ON INAPPROPRIATE BEHAVIOUR IN THE PLAYGROUND

Any student’s inappropriate behaviour deemed by a staff member to be of an extremely serious nature will be immediately referred to the class supervisor and to the Student Welfare Committee for action. The Student Welfare Committee will consist of the Principal and Executive staff.

Step One – a white slip is issued to the student for breaking a school expectation, student does a time-out session in the playground. The reason for the white slip will be discussed with the student and recorded on the slip. The white slip goes to the classroom teacher for recording.

Step Two – continued inappropriate behaviour, the student is immediately sent to the class supervisor with the white slip to discuss behaviour.

When three slip recordings (white or red) are made against a student, a period of detention, as determined by the class supervisor, will be invoked.

ACTION ON PERSISTENTLY INAPPROPRIATE BEHAVIOUR IN THE PLAYGROUND

1. Supervisor - Parent Contact Letter will be sent home by class supervisor.

2. If behaviour persists the student may be placed on a Behaviour Management Program. Parent/Caregivers will again be contacted, requesting an interview to discuss the Behaviour Management Program with the class supervisor before the student is placed on the program. After a reasonable amount of days with positive comments (as determined by the Student Welfare Committee) the student will be removed from the program.

3. If no improvement is shown, or if behaviour deteriorates further the Student Welfare Committee will review the case to decide upon the appropriate course of action. This may include invoking the Department of Education and Communities, “Suspension and Expulsion Policy”.

Step Two - supervisor decides upon severity discusses it with class teacher who may call an immediate Student Welfare Committee meeting.

Step Three – The Student Welfare Committee will review the case to decide upon the appropriate course of action. This may include invoking the Department of Education and Communities, “Suspension and Expulsion Policy.”

Note:-
Detention means that the student is removed from the playground for playing time.
SOCIAL MEDIA

The purpose of this policy is to help ensure Leonay Public School is a safe, respectful learning environment.

Social media sites like Facebook, Twitter, Youtube, Flickr and others are used by an increasing number of students. The words, images, sounds or virtual actions that occur in these sites can be public. What students do online may have consequences in the real world.

Actions and words of students using technology could harm others at this school and may be considered Cyberbullying. This includes other students, teachers, other staff, parents or friends. Student conduct online, that is likely to harm others connected with the school, may be subject to disciplinary action, whether or not that conduct happens at school, at home, or elsewhere.

Students concerned about their conduct online, or that of others, are encouraged to talk to their parents or a teacher about the matter.

STUDENT MOBILE PHONE POLICY & PROCEDURES

Mobile phones are personal property and any student bringing one to school does so at their own risk.

We do on the other hand understand that for safety reasons parents/carers may like to have their child walk to and from school with a mobile phone.

Whilst every effort is taken to ensure student phones are locked away in a secure location; the school does not accept responsibility for the security of the phone.

Mobile Phone Procedures for Students

Students must:-

- provide the school with a letter of approval from their parent/carer each year (Attachment A)
- switch their phone off before entering the school grounds
- hand their phone in at the school office upon arrival from 8.30am
- collect their phone at 3pm from the school office
- only switch their phone on after leaving the school grounds

Consequences for Breaching this Policy

Students who fail to hand their phone in at the office, and / or use their phone during the school day, will be breaching school rules, and will be dealt with under the School’s Student Welfare and Discipline policy.

The student will have their phone confiscated, locked away, and returned to them at 3pm.

Any photos or videos taken at school by them will need to be deleted at the end of the day under the supervision of an assistant principal and the principal.

Parents will be phoned by an assistant principal to inform them of their child’s breach of this policy.

SUSPENSION and EXPULSION

At the higher end of disciplinary action are the procedures specified in the Department of Education and Communities document ‘Suspension and Expulsion of School Students – Procedures.’

There will be cases of inappropriate behaviour where it will be in the best interests of the school community and/or the student involved, for the student to be removed from the school for a period of time or completely. Suspension and expulsion are the options available to the principal in these situations.

Principals have authority, consistent with the provisions of the Suspension and Expulsion policy to suspend or expel a student from a particular school. They will exercise this authority having regard to their responsibilities to the whole school community and to the principles of procedural fairness.

Suspension allows students time to reflect on their behaviour, to acknowledge and accept responsibility for the behaviours which led to the suspension and to accept responsibility for changing their behaviour to meet the school’s expectations in the future. It also allows time for school personnel to assist with successful re-entry. This may include access to appropriate support staff.

Students must be suspended for the following behaviours as defined in the Department of Education and Communities ‘Suspension and Expulsion of School Students - Procedures.’

Physical Violence:
Which results in injury, or which seriously interferes with the safety or well being of other students and staff (including sexual or indecent assault).

Use or possession of a prohibited weapon, firearm or knife.
When the student:
• uses or possesses a weapon which is listed in Schedule One of the Weapons Prohibition Act. Prohibited weapons include laser pointers, or similar articles with a power output of more than one milliwatt. Prohibited Weapons do not include harmless children’s toys such as plastic imitation guns that are clearly intended to be toys;
• uses a knife or possesses a knife (without reasonable excuse as defined by the Summary Offences Act 1988*);
• uses or possesses a firearm of any type (including live ammunition and replica firearms).
*Note – “reasonable excuse” includes ceremonial Kirpans carried by Sikhs for religious purposes.

Possession, supply or use of a suspected illegal substance:
This does not include alcohol or tobacco, but does include supplying other students with illegal drugs or restricted substances such as prescription drugs.

Serious criminal behaviour related to the school:
This includes malicious damage to property (school or community), or against the property of a fellow student or staff member on, or outside of the school premises. If the incident occurred outside the school or outside school hours, there must be a clear and close relationship between the incident and the school.

Subject to factors outlined in 6.3.1, principals may also impose a long suspension for:

Use of an implement as a weapon. When a student uses an implement as a weapon to assault or injure another person (including use of an offensive implement, which is any implement made or adapted to cause injury to another person).
Persistent or serious misbehaviour.
This includes, but is not limited to:
• repeated refusal to follow the school discipline code;
• threatening to use a weapon in a way that might seriously interfere with the safety and wellbeing of another person;
• making credible threats against students or staff;
• behaviour that deliberately and persistently interferes with the rights of other students to learn or teachers to teach including bullying, harassment and victimisation.

Students may receive a short suspension of up to and including 4 days for the following reasons and will be reported in the following categories:

Continued Disobedience
This includes, but is not limited to, breaches of the school discipline policy such as: refusal to obey staff instructions; defiance; disrupting other students; minor criminal behaviour related to the school; use of alcohol or persistent use of tobacco.

Aggressive Behaviour
This includes, but is not limited to; hostile behaviour directed towards students, members of staff or other persons, including verbal abuse and abuse transmitted electronically such as by email or SMS text messages.

If a student is suspended, the school will work in partnership with the parents in assisting the student to return to school. This will include the provision of counselling and access to special behaviour programs.

The policy applies to all student bullying behaviour, including cyberbullying, that occurs in NSW government schools and preschools, and off school premises and outside of school hours where there is a clear and close relationship between the school and the conduct of the student.

Context
Bullying is *repeated verbal, physical, social or psychological behaviour that is harmful* and involves the misuse of power by an individual or group towards one or more persons. Cyberbullying refers to bullying through information and communication technologies.

Bullying can involve humiliation, domination, intimidation, victimisation and all forms of harassment including that based on sex, race, disability, or sexuality. Bullying of any form or for any reason can have long-term effects on those involved including bystanders.

Schools exist in a society where incidents of bullying behaviour may occur. Preventing and responding to bullying behaviour in learning and working environments is a shared responsibility of all departmental staff, students, parents, caregivers and members of the wider school community.

Reporting to the Child Wellbeing Unit
In NSW, police, teachers, health workers and other people who work with children are required by law to notify the Department of Family and Community Services’ Helpline when they have reasonable grounds to suspect children are at ‘risk of significant harm’. Significant harm is that which is sufficiently serious to warrant a response by a statutory authority irrespective of a family's consent.

What is significant is not minor or trivial and may reasonably be expected to produce a substantial and demonstrably adverse impact on the child or young person’s safety, welfare or wellbeing. The Principal as the workplace manager is responsible for notifying the Child Wellbeing Unit. The Child Wellbeing Unit helps agencies to identify at risk children and respond to their needs.
